*Providing Personal Support,
Nursing and Specialty
Healthcare Services*

Who We Are

Access Personal Support Ltd. (APS) provides quality Nursing Care and Personal Support Services across Ontario, while assisting clients, patients or loved ones with special needs or disabilities such as:

- Acquired Brain Injury
- Challenging Behaviours
- Mental Health Diagnosis
- Physical Challenges
- Intellectual Impairments
- Alzheimer's Disease
- Dementia
- Foot Care
- Respite

APS currently offers services in Niagara, Lincoln, Hamilton-Wentworth, Haldimand Norfolk, Brant County, Cambridge, Kitchener, Waterloo, Halton, Peel, Toronto and Durham regions as well as surrounding areas.

Our People

Our Nurses and Support Workers are carefully selected through a stringent recruiting process to ensure that you receive the highest quality of care available. We pay close attention to match your client, patient or loved ones' needs and preferences to a qualified member of our solid network of health care professionals.

Our Nurses and Support Workers are highly qualified, with a range of backgrounds and experience levels and include: Nurses, Personal Support Workers, Registered Practical Nurses and Social Service Workers. Our caring and knowledgeable workers are available to provide a comprehensive range of support in settings such as private homes, long-term care facilities, hospitals, group homes and community settings.
